NEW DELHI.
15th Septr. 1948.

Dear Mr. Chetty,

I thank you for your letter of 9th September about the Silk Board. I hope Mysore Government will now pass a legislative measure on the lines of our new Act so that Mysore can take the fullest advantage of this measure. I am waiting for the report of the Tariff Board to enable me to decide what action should be taken to protect the legitimate interests of Silk industry in India.

Yours sincerely,

i P. Subbarama Chetty

RETURNED WITH COMPLIMENTS:

The formation of a Silk Board in Mysore on the lines similar to the one of Government of India Silk Board needs legislative measure. As the Assembly is already over, this can be done only by passing an ordinance. It may not be necessary to hurry through the matter. It would, however, be necessary to form the Board immediately and to obtain legislative sanction at the next sittings of the sessions of Representative Assembly and Legislative Council. For framing the necessary Bill, a small Sub Committee consisting of the Revenue Secretary, Superintendent of Sericulture, Rajasevaprasakta Sri. N. Rama Rao, B.A., B.L., and Rajasabhabhushana Diwan Bahadur K.R. Sreenivasa Iyengar, M.A., (Chairman), may be formed.

I suggest that the Silk Board in Mysore may be formed on functional basis; the nomination of the members being strictly restricted to people who are actually engaged in one or other of the branches of the industry, viz., silk-worm rearing, silk worm seed production, charka silk reeling, filature reeling, spun silk industry, silk throwing, and silk weaving, and The Mysore Silk Association. Besides, this the Legislative Council and the Representative Assembly

one member
Assembly may be given the privilege of electing/each.

The composition of the Board may be as follows:-

1. The Minister holding the Port-folio of silk should be the Chairman of the Silk Board.

   (N.B.:-There is no need for a Vice-Chairman as in the case of Central Silk Board for obvious reasons)

2. 4 Non-official Members representing Sericulture -(Silk rearing only)

3. 2 Non-official members representing charka reeling.

4. 2 Representatives of Filature Industry.

5. One for Spun Silk Industry.

6. One for Throwing.

7. One for Silk Weaving.

8. One member each from Representative Assembly and Legisl Council.

9. One representative of the Mysore Silk Association. (To be elected by them)

10 Two Experts to be nominated by the Government.

11 Head of the Sericulture Department, who will be the ex-officio Secretary for the present.

The total number would thus be 18 including the Chairma

This is comprehensive enough for the purpose of the Boa

DEWAN'S MINUTE

FILE No

Bangalore, 3rd January 1949.

(21) I have gone through the file and suggest that the following draft reply suitably amended if necessary, may be sent to the Government of India.

(22) " With reference to the letter of the 17th December 1948 from the Government of India regarding the enactment of legislation in Mysore on the lines of the Central Silk Board, 1948, I am desired by the Government to communicate to you the following decision which the Government has arrived at.

(23) [Any legislation by this Government has to be placed before the Representative Assembly for adoption of principles and then before the Legislative Council for passing of the Bill. The Representative Assembly met last in October 1948 and the next session cannot be held before May 1949. In the circumstances it will not be possible for normal legislative process to be undertaken in this behalf. The Government of Mysore consider that the act passed by Central Legislation establishing a Central Silk Board will be most useful to silk industry and that a similar act must be passed by the Government of Mysore, particularly as ~~a~~ the Dominion Act does not extend to the State of Mysore. The Government of Mysore have therefore decided that in the interval ~~between~~ before a Bill could be placed ~~on~~ ~~before~~ the Statute ~~Board,~~ Book it will constitute by executive action a Board called the Mysore Silk Board which will have all the powers in the State of Mysore analogous to the powers of the Central Silk Board.

(24) The Act of Dominion Government provides for the imposition of cess on certain kinds of silk. When the Central Government issues its notification in this behalf, the Mysore Government will by a special ordinance take power for the imposition of a similar excise if it is considered necessary. I am desire

(13) The Bill closely follows the Central Silk Board Act, 1948.

(14) Clause 2 of the Bill may, however, be ordered to be omitted since it is not necessary to have it in our Bill. Under the 7th Schedule to the Government of India Act, 1935, the Central Legislature is empowered to make laws in respect of development of industries where development under Central control is declared by ~~the~~ a Central Law to be expedient in the public interest. Accordingly, section 2 of the Central Silk Board Act makes a declaration that it is expedient in the public interest that the Central Government should take under its control the development of the raw silk industry. This declaration give constitutional validity to the Act by conferring ~~the~~ jurisdiction on the Central Legislature to undertake legislation in that behalf. No declaration is necessary for the Government of Mysore ~~for~~ taking under its control the development of the raw silk industry in Mysore, since there is no division of powers here between the Central Government and the Provincial Government.

Final note by the Minister for City Municipalities - 2.

Subject:- CENTRAL SILK BOARD ACT -- Passing of similar legislation in the State.

****

The Government of India has brought into force the Central Silk Board Act 1948 with effect from 28th September 1948 with the object of providing for the development and control of the raw silk industry and have established a Central Silk Board.

The Government of India request this Government also in their letter dated 1st October 1948, either to make that Act applicable to the Mysore State or to pass analogous legislation on the lines of the above mentioned Act passed by them so that Mysore can take the fullest advantage of the measure. It is further stated subsequently in their letter dated the 28th February 1949 that as the establishment of the Central Silk Board is based on an agreemer arrived at between all the States and Provinces of India, it is necessary that the States legislation also gives its legal sanctio to the operation of the Board, as constituted by the Act of the Dominion Parliament within the State territory and suggests that there should not, however, be a second parallel Board, constituted by the State's legislation, operating within the State territory and they have no objection to the setting up of any consultative Advisory Committee by the State for the development of its seri-cultural industry.

A Bill designated the Mysore Silk Industry Development Bill, was originally proposed to be introduced in the legislature maki provision for the Central Silk Board to exercise the same powers in Mysore, as those that will be exercised in the other Province of India and also for the constitution of an Advisory Committee the Government of Mysore. P Gehlot -

When the file went up to the Hon'ble Chief Minister, he minuted as follows:

> "Is there any necessity to go ahead with this bill in view of the Supplementary Instrument of Accession which has now been finalised."

The matter was discussed at a Meeting of the Council of Ministers held on the 29th June 1949 when it was opined as follows

> "In view of the revised Instrument of Accession which has been signed by His Highness according to which Central Legislation on certain subjects can be extended to the State of Mysore, the Bill regarding the establishment of a Silk Board in Mysore may be dropped, a Board being established by executive action".

The papers are therefore submitted for the gracious perusal of His Highness.

SUBJECT:- ENACTMENT OF LEGISLATION BY THE STATES ON THE LINES OF THE CENTRAL SILK BOARD ACT, 1948.

****

With reference to your letter No.116(13)-Tex-1/48 dated 1st October '48, on the above subject, I am directed to state that any legislation by this Government has to be placed before the Representative Assembly for adoption of principles and then before the Legislative Council for passing of the Bill. The Representative Assembly met last in October 1948 and the next Session cannot be held before May 1949. In the circumstances, it will not be possible for normal legislative process to be undertaken in this behalf. The Government of Mysore consider that the Act passed by the Central Legislation, establishing a Central Silk Board will be most useful to the silk industry and that a similar Act must be passed by the Government of Mysore, particularly as the Dominion Act does not extend to the State of Mysore. The Government of Mysore have, therefore, decided that in the interval before a Bill could be placed on the Statute Book, it will constitute by executive action a Board called the Mysore Silk Board, which will have all the powers in the State of Mysore, analogous to the powers of the Central Silk Boar

The Act of Dominion Government provides for the imposition of cess on certain kinds of silk. When the Central Government issues its notification in this behalf, the Mysore Government will, by a special ordinance, take power for the imposition of a similar excise, if it is considered necessary. I am desired to convey these suggestions and proposals of the Government of Mysore and to express the hope that they will be found satisfactory.

Sir,

Sub:-Enactment of Central Silk Board Act.

With reference to your letter No.D.4150 dated 7/1/4 of India on the above subject, I have the honour to state that an Enactment of Legislation in Mysore State on the lines of the Central Silk Board Act 1948, is necessary, as the Dominion Act does not extend to the State of Mysore. The Government of Mysore have decided that in the interval before a bill could be placed on the Statute Book, it will constitute by executive action a Board called the Mysore Silk Board, which will have all the powers in the State of Mysore, analogous to the powers of the Central Silk Board. I suggest the following constitution for the Mysore Silk Board (Temporary) pending the establishment of a permanent Board by a legislative enactment.

1. Minister in Charge of Sericulture .. Ex-officio Chairman.

2. Superintendent of Sericulture .. Ex-officio Secretary and Vice-Chairman.

3. Legislative Council 2 M.A. 1. ..

SIR,

SUBJECT:- RE: ENACTMENT OF LEGISLATION IN THE STATES ON THE LINES OF THE CENTRAL SILK BOARD ACT, 1 9 4 8:

****

With reference to your letter No.116(13)-Tex-1/48 dated 1st October '48, on the above subject, I am directed to state that any legislation by this Government has to be placed before the Representative Assembly for adoption of principles and then before the Legislative Council for passing of the Bill. The Representative Assembly met last in October 1948 and the next Session cannot be held before May 1949. In the circumstances, it will not be possible for normal legislative process to be undertaken in this behalf. The Government of Mysore consider that the act passed by the Central Legislation, establishing a Central Silk Board will be most useful to the silk industry and that a similar act must be passed by the Government of Mysore, particularly as the Dominion Act does not extend to the State of Mysore. The Government of Myso have, therefore, decided that in the interval before a Bill could be placed on the Statute Book, it will constitute by executive action a Board called the Mysore Silk Board, which will have all the powers i the State of Mysore, analogous to the powers of the Central Silk Boe

The Act of Dominion Government provides for the impos tion of cess on certain kinds of silk. When the Central Go ment issues its notification in this behalf, the Mysore Gove ment will, by a special ordinance, take power for the imposit of a similar excise, if it is considered necessary. I am desired to convey these suggestions and proposals of the Gove ment of Mysore and to express the hope that they will be foun satisfactory.

Subject:- Enactment of Legislation in the Sta... on the lines of the Central Silk Board Act, 1948.

With reference to your letter No. D.4098 dated the 5th January, 1949 on the subject quoted above, I am directed to observe as follows:-

The Central Silk Board is based on an agreement arrived at mutually between all the States and Provinces of India. It is necessary, therefore, that the States Legislation gives legal sanction to the operation of the Board, as constituted by the Act of the Dominion Parliament, within the state territory. There should not, however, be a second parallel Board, constituted by State's Legislation, operating within the State territory. At the same time, Government of India would have no objection to the setting up of any consultative or advisory committee by the State for the development of its sericulture industry. It is hoped that the above clarifies the position fully and necessary legislative action will now be initiated by you without delay.

23. THE MYSORE SILK INDUSTRY DEVELOPMENT BILL, 1949.

Statement of Principles.

The Dominion Legislature have recently enacted the entral Silk Board Act for the development of the raw silk ıdustry under Central control by establishing a Central ilk Board. Mysore is also represented on the oard, and it is considered that the Board should be ɔle to exercise its powers and functions in Mysore in the ıme manner as in the Provinces of India.

Provision for this purpose has been made in the Bill rovision has also been made for the constitution of an dvisory Committee to perform such functions as may be rescribed by rules.

THE MYSORE SILK INDUSTRY DEVELOPMENT BILL, 1949.

A Bill to provide for the development under control of the raw silk industry in Mysore.

Preamble.

WHEREAS it is expedient to provide for the development under control of the raw silk industry;

It is hereby enacted as follows :—

Short title and extent.

1. (1) This Act may be called the Mysore Silk Industry Development Act, 194 .

(2) It extends to the whole of Mysore.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context, :—

(*a*) "Board" means the Central Silk Board constituted by the Government of India under the Central Silk Board Act, 1948, (Act No. LXI of 1948 of the Indian Dominion Legislature);

(*b*) "Committee" means the Advisory Committee constituted under this Act;

(*c*) "charka raw silk" means raw silk reeled from silk worm cocoons with the help of any instrument not worked by power;

(*d*) "filature raw silk" means raw silk reeled from silk worm cocoons with the help of any instrument worked by power;

(*e*) "power" means any form of energy which is mechanically transmitted and is not generated by human or animal agency, and includes electrical energy;

(*f*) "prescribed" means prescribed by rules made under this Act;

(*g*) "spun silk" means silk yarn spun from pierced or spoilt cocoons, fluff from cocoons, pieces of silk, noils, or other silk waste.

Constitution of the Advisory Committee.

3. (1) As soon as may be after the commencement of this Act, the Government may, by notification in the *Mysore Gazette*, constitute a Committee to be called the Mysore Silk Advisory Committee.

(2) The Committee shall consist of the following members, namely,—

(*a*) the Minister in charge of Sericulture in the Government, who shall *ex-officio* be Chairman of the Committee ;

(*b*) the Superintendent of Sericulture in Mysore, who shall *ex-officio* be Vice-Chairman of the Committee ;

(*c*) two persons elected by the Mysore Legislature in such manner as may be prescribed ;

(*d*) four persons representing silk worm rearing industry to be nominated by the Government in consultation with such organisations of the industry as may be recognised by the Government ;

(*e*) two persons representing charka reeling industry to be nominated by the Government ;

(*f*) two persons representing filature silk industry to be nominated by the Government ;

(*g*) eight persons to be nominated by the Government, of whom one shall be a representative of spun silk industry, one of the silk throwing and twisting industry, one of the silk weaving industry using power looms, one of the silk weaving industry using handlooms, one of the raw silk merchants, ~~one~~ of the Mysore Silk Association and ~~two~~ shall be sericultural experts.

(3) The Committee shall perform such functions as may be prescribed.

4. (1) With effect from such date as the Government may, by notification in the *Mysore Gazette*, appoint, there shall be levied and collected as a cess, a duty of excise on all filature raw silk, and on all spun silk, reeled in Mysore, at such rate as the Government may, by notification in the *Mysore Gazette*, from time to time fix.

(2) The said duty of excise shall be payable by the reelers of filature raw silk or spun silk and shall be paid by them to the Board within one month from the date of the receipt of the notice of demand from the Board in that behalf.

(3) The said duty of excise may be recovered as if it were an arrear of land revenue.

(4) For the purpose of enabling the Board to assess the amount of the duty of excise payable under this section by the reelers of filature raw silk or spun silk—

(*a*) the Board shall, by notification in the Gazette of India, fix the period in respect of which assessments shall be made, and

(*b*) every reeler of filature raw silk or spun silk shall furnish to the Board within the prescribed time a return specifying the total amount of filature raw silk or spun silk reeled during such period.

(5) If any reeler of filature raw silk or spun silk fails to furnish such return within the prescribed time or furnishes a return which the Board has reason to believe to be incorrect or defective, the Board may assess the amount payable by such reeler, in such manner as may be prescribed.

(6) Any reeler aggrieved by an assessment made under this section may, within three months of the receipt of the notice under sub-section (2), apply to the District Judge or such other civil judicial officer as may be prescribed, for the cancellation or modification of the assessment; and such District Judge or judicial officer shall, after giving the Board an opportunity of being heard, pass such order as he thinks proper; and such order shall be final.

5. (1) The Board shall have power to promote the development of the raw silk industry by such measures as it thinks fit.

(2) Without prejudice to the generality of the foregoing provision, the measures referred to therein may provide for—

(*a*) undertaking, assisting or encouraging scientific, technological and economic research;

(*b*) devising means for improved methods of mulberry cultivation, rearing, developing and distributing healthy silkworm seeds, reeling of silkworm cocoons, improving the quality and production of raw silk, if necessary, by making it compulsory for all raw silk to be marketed only after the same has been tested and graded in properly equipped raw silk conditioning houses;

(*c*) the supply of technical advice to filature and charka reelers ;

(*d*) improving the marketing of raw silk ;

(*e*) the collection of statistics from such persons as may be prescribed.

6. (1) The Government may, by notification in the *ysore Gazette*, make rules to carry out the purposes this Act.

(2) In particular and without prejudice to the generality the foregoing power, such rules may provide for—

(*a*) the procedure to be followed at meetings of the Committee ;

(*b*) the term of office of members of the Committee, and the circumstances in which, and the authority by which they may be removed ;

(*c*) the quorum at meetings of the Committee ;

(*d*) the manner in which raw silk shall be graded and marketed ;

(*e*) any other matter which is to be or may be prescribed under this Act.

7. If any person,—

(*a*) in any return to be furnished under this Act makes any statement which is false and which he knows to be false or does not believe to be true, or

(*b*) obstructs any officer of the Board in the exercise of any power conferred, or the discharge of any duty imposed, on him by or under this Act, or

(*c*) having the control or custody of any account book or other record, fails to produce such book or record when required so to do under this Act,

shall be punishable with imprisonment for a term ich may extend to one year or with fine which may end to one thousand rupees, or with both.

9. No suit, prosecution or other legal proceeding shall lie against the Board, or any member or officer of the Board, for anything in good faith done or intended to be done under this Act. Bar of legal proceedings.

Statement of Objects and Reasons.

The Dominion Legislature have recently enacted the Central Silk Board Act for the development of the raw silk industry under Central control by establishing a Central Silk Board. Mysore is also represented on the Board, and it is considered that the Board should be able to exercise its powers and functions in Mysore in the same manner as in the Provinces of India.

Provision for this purpose has been made in the Bill, Provision has also been made for the constitution of an Advisory Committee to perform such functions as may be prescribed by rules.
